FORGIVABLE LOAN PREAPPLICATION

Dear Homeowner:

Thank you for inquiring about the City's Housing Rehabilitation Program. The following brief description of the forgivable loan programs is provided for your information and reference.

GENERAL INFORMATION

Forgivable loans are available to very low-income households. The specific forgivable loans can be combined, and may be awarded in conjunction with the Housing Rehabilitation Loan Program. The forgivable loans do not have to be repaid to the City if the homeowner resides at the property three years after the forgivable loan is awarded. However, if the homeowner sells or transfers title to the property prior to three years, a percentage of the forgivable loan amount, determined by the City, must be repaid.

In order to qualify the assets of families cannot exceed \$20,000 and the assets of senior citizens cannot exceed \$30,000. Under special circumstances the asset limitations may be amended on a case-by-case basis.

SPECIFIC FORGIVABLE LOAN PROGRAMS:

Exterior Paint Program: The Exterior Paint Program offers forgivable loans up to a maximum of \$5,000.

Owner-Builder Rebate Program: The Owner-Builder Rebate Program provides forgivable loans to reimburse homeowners for the correction of building code, and health and safety items. Reimbursements are provided to cover the cost of materials only, not labor. The maximum forgivable loan amount is \$2,500, and all home improvements must be completed within a six-month period from the date the forgivable loan is awarded.

Reroof Program: The Reroof Program offers forgivable loans up to a maximum of \$10,000.

Mobile Home Program: The Mobile Home Program forgivable loans can be used to address building code, and health and safety items only. Forgivable loans are available up to a maximum of \$6,000.

Handicap Modification Program: The Handicap Modification Program offers forgivable loans for improvements to the home that aid the handicapped such as additions of ramps and handrails. Forgivable loans up to a maximum of \$4,000 are available through this program.

Seismic Retrofit Program: The Seismic Retrofit Forgivable Loan Program offers a maximum forgivable loan of \$5,000. This forgivable loan is to be used for foundations, bracing of foundations, chimneys and water heaters. Homes must have been constructed before 1960. This work must be performed by a contractor approved by the City of Fullerton.

INCOME GUIDELINES

<u>Number of Persons in Household</u>	<u>50% of County Median Income</u>
1	\$32,550
2	\$37,200
3	\$41,850
4	\$46,450
5	\$50,200
6	\$53,900
7	\$57,600
8	\$61,350

If you are interested in participating, please complete the attached preapplication and credit authorization form and return them to our office, along with the applicable documents listed on the following page. If you have any questions, please contact me at (714) 738-6874.

Sincerely,

Sylvia M. Chavez
Housing Programs Assistant

NOTICE

FEDERAL LEAD-BASED PAINT REQUIREMENTS

Both the State of California and the federal government have adopted regulations designed to reduce or eliminate the risk of lead-based paint hazards in homes. Some homes built before 1978 may contain lead-based paint that may be harmful to anyone living or working within the home, especially pregnant women and children. Such hazards may occur as a result of exposure to contaminated lead paint dust and paint chips. It is important that you understand these requirements when applying for a home improvement loan or forgivable loan from the City of Fullerton.

Federal regulations (24 CFR Part 35) require any home built prior to 1978 that receives federal assistance for rehabilitation be assessed for the presence of lead-based paint hazards. To comply with this requirement, the City will fund the cost of the assessment by a licensed and certified contractor, after a completed application for the Housing Rehabilitation Program has been filed but before the loan and/or forgivable loan is approved. The results of the assessment will become public record and be filed with the State Department of Health Services. You will be personally obligated to disclose the results of the testing to any potential buyers and/or the subsequent occupants of the property.

As a participant in the City of Fullerton's Housing Rehabilitation Program, I understand that I will be required to allow any lead hazards found on the property to be stabilized using a portion of the proceeds from the loan and/or forgivable loan that the City is extending to me. I also understand that some methods used to control the hazards may not be permanent in nature and may need to be readdressed in future years.

By signing this Notice, I hereby certify that:

1. I have received a copy of this Notice.
2. I have read and understand the lead hazard requirements contained in this Notice.
3. I accept these requirements and the related personal disclosure obligations as a condition of my application for the City of Fullerton's Housing Rehabilitation Program.

If you would like to discuss the hazards of lead-based paint and the potential impact of the state and federal requirements on your property *before* you submit your application for the Housing Rehabilitation Program, please call the City's Housing Office at (714) 738-6874.
